

The following entities are registered with IPReg as at 1 February 2018.

The statutory Patent and Trade Mark registers showing all registrations as at the end of every calendar year are published on or before 31 March in the following year.

The entities registered with IPReg are recorded on the statutory registers (in a separate section at the end of each register).

These entities will now have on their headed notepaper, email correspondence and website “regulated by the Intellectual Property Regulation Board” or “regulated by IPReg”.

Licensed Bodies are marked with *. Details are available on request.

This list is issued for ease of reference and does not form part of the statutory registers. No liability, therefore, can be accepted for any errors or omissions. The current status of an entity can be checked on request via web@ipreg.org.uk .
